

Powerful Chokes

NEW

Product series: BWLX30 series

Patent protected!

Features:

- Excellent performance on efficiency
- Extremely low DC resistance
- Without thermal aging problem
- Very good heat dissipation
- High reliability and temperature stability

Applications:

- Hi-current output chokes
- Differential mode chokes
- Buck-boost converters
- Energy storage requirement

Electrical specifications:

Product name	Inductance $\pm 10\%$ (μH)	Max. Rdc ($\text{m}\Omega$)	ΔL 30% drop current (A)	Dimension T(mm)
BWLX3015-060	6.0	1.4	40	≤ 16
BWLX3017-100	10.0	1.7	37	≤ 18
BWLX3020-120	12.2	2.0	30	≤ 21

DC-bias property: (typical curves)
